451b

Notification dated 3rd July 1951.

No. G. N. 21. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 12 NOON on Friday the 3rd August 1951, for the supply of the following materials, the term of delivery being f.o.r. Bhadravati :—

Platform Scale or Weighing Machine 2-ton capacity, superior quality.	No. 1

The tenderers should quote their best billing prices which should be firm for a period of one month from the due date of the tender. The rate should be quoted both in figures and words. The earliest period within which delivery would be effected may be specified in the tender.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the Department for local purchases.

The tenders should be superscribed as "Tender for the supply of Two-ton Weighing Machine" to be opened on Friday the 3rd August 1951.

455

K. VEDANTHIENGAR,
491 For *Chief Electrical Engineer.*

OFFICE OF THE DIRECTOR OF GEOLOGY IN MYSORE, BANGALORE.

Notification dated 28th June 1951.

Practical Training to Post-Graduate—Geology students in the Mysore Geological Department.

No. G. Applications are invited from graduates in Geology who desire to undergo a course of practical training in the Mysore Geological Department. The course of training will be for a period of about six months and not more than four will be selected for training. The selected candidates will be given opportunities to work under the officers of this Department engaged in Geological Survey, Mineral Survey and prospecting, mining, and analysis of ores and minerals.

CONDITIONS

1. No fees will be levied for this training in the case of Mysoreans by birth or domicile: but in the case of non-Mysoreans a lumpsum fees of Rs. 100 will be charged for the entire period of training of about six months. The fee is payable in advance before the candidates join the Department for training.

2. Two students of the Sri Jayachamarajendra Occupational Institute, who have passed the Diploma Examination in Mining may also be admitted in addition to undergo a course of training in both open quarrying and underground mining at the Bellara Gold Mines and other places for a period of six months.

3. This practical training will not by itself give the students any claim whatsoever—express or implied—for any of the appointments in the Department either in the permanent or temporary establishments.

4. The students selected for the training should make their own arrangements for boarding and lodging.

5. The students selected should be prepared to work in any part of the State where the Director arranges for their training and they should strictly carry out the instructions given to them by the officers under whom they may be posted for training. Such of these who fail to comply with the rules, work diligently and make satisfactory progress during the period of training, are liable to be sent away even in the middle of their training period without refunding any portion of the fee which might have been paid by them.

6. The applicants should submit their applications, together with copies of testimonials, if any, with full details.
